“Get Out There and Worship”

Breaking Ground: Tell about a time when God really seemed to put you and your talents to use.

Deeper into the Word: Romans 12:1-2

1. What do you think Paul means by “in view of God’s mercy?”
2. In what ways is it possible to be “conformed to the pattern of this world?”
3. Paul calls on his audience to “renew their minds.” How do you renew your mind?
4. How does a way of life (offering yourself as a sacrifice) qualify as “worship” [see also Romans 12:6-8]?

Deeper into our lives:

1. In what ways can you offer yourself as a “living sacrifice?” (Think about the places you spend your time: work, school, home, etc.)
2. Can you think of someone who exemplifies this, who lives a life of worship?
3. Tell about ways you’ve been able to worship outside of a traditional church service.

Deeper in prayer: Pray with one another. Commit yourselves again to serving God.
