Breaking Ground: What about your life has turned out in a way that you never expected?

Deeper into the Word: Phil. 3:2-11

1. What's the difference between the righteousness Paul talks about in verses 4-6 and “the righteousness that comes from God and is by faith?”
2. What specifically do you imagine Paul has in mind when he talks about the “greatness of knowing Christ?”
3. How do you account for the drastic turn around in Paul's attitude?

Deeper into our lives:

1. Which is easier for you, “righteousness by faith” or “righteousness by résumé?” Why?
2. Have you ever had an experience like Paul's on the road to Damascus?

Deeper in prayer: Pray with one another. Pray for a willingness to be changed through Jesus.
